

Viton seal kit

Functional Group:
Products : Accessories : Cartridge Seal Kits

Model:
990-413-006

Product Description

Sun offers replacement seal kits for all cartridge models. These kits include all of the external seals on the cartridge along with installation instructions. Seal kits are available in both Buna-N and Viton. Please note: Converting the external seals from one material to another does not ensure fluid compatibility with that material due to the existence of internal seals within the cartridge. See Seal Kit General Guidelines below for detailed information.

Technical Features

- The shelf life for a Viton cartridge seal kit is twenty years from date of purchase. This date will be printed in the kit package.
