

## Key lock control kit

Functional Group:  
 Products : Accessories : Cartridge Control Options and Kits : Key Lock

Model:  
 993-008

### Product Description

Sun offers an optional adjustment Key Lock Cover Kit for cartridges supplied with an L control. With this kit, adjustments can be locked with a key to prevent unauthorized changes to the valve setting. Adjustments are easily accessible once the lock assembly is removed via the key. Installation of this key lock kit requires the replacement of the standard locknut with a special adapter locknut which accepts the lock assembly. A new wire stop ring is also provided for overset protection.

### Technical Features

- ▮ This key lock assembly can only be ordered as a kit and is not available pre-assembled to a cartridge.
- ▮ For use on all Sun Cartridges with an L adjustment control except for Series 0 and counterbalance cartridges.
