WOJANIS

THE FORCE BEHIND FLUID POWER

www.wojanis.com | 724.695.1415 | sales@wojanis.com | 1001 Montour West Industrial Park Coraopolis, PA 15108-9308

VALVES

- Flow and Motion Controls
- Relief Valves
- Directional Valves
- Check Valves
- Logic Elements
- Pressure Controls
- Proportional Controls
- Monoblock & Stack Valves
- Ball Valves

PUMPS

- Gear Pumps
- Double Pumps
- Piston Pumps
- PTO Pumps
- Vane Pumps
- Hand Pumps
- Pump Accessories

MOTORS

- Gerotor Motors
- Radial Piston Motors
- Motor Accessories

FLANGES

- Blanking Flanges
- Butt Weld Flanges
- Deep Socket Flanges
- Flat Socket Flanges
- NPTF Flanges
- SAE Flanges
- Split Flanges

HOSE & FITTINGS

- Hydraulic Hose
- Industrial Hose
- Hose Accessories
- Hose Ends

FILTRATION

- Air Filters
- Hydraulic Pressure Filters
- Hydraulic Return Line Filters
- Suction Strainers
- Oil Analysis
- Bulk Filtration

MONITORING & TESTING

- Pressure Gauges
- Thermometers
- Flow Meters
- Test Fittings

CONNECTORS

- Hydraulic Adapters
- Quick Disconnects
- Couplings/Motor Mounts

RESERVOIRS

- JIC Reservoirs
- "L" Reservoirs
- "T" Reservoirs
- D.I.N. Reservoirs
- Accessories

CYLINDERS

- Welded Cylinders
- Tie Rod Cylinders
- Cylinder Seal Kits

HEAT EXCHANGERS

- Air to Oil
- Water to Oil
- Fan Cooled

ACCUMULATORS

- Piston Style
- Bladder Style

Services

Part Selection and Technical Support

Selecting the correct parts makes a system more efficient, more effective and safer. We can identify problems and help maximize the potential of your hydraulic systems.

Preventative Maintenance

Consistent preventative maintenance will greatly reduce repairs, product downtime, and extend the life of equipment. Create long term saving through consistent and efficient productivity over the life of your equipment.

- Online Filter Management Program
- Replacement Filters
- Oil analysis
- Oil replacement
- Hydraulic Reservoir Cleaning
- Fluid Filtration Services

Troubleshooting and Repair

Wojanis Supply Company, Inc. offers repair and overhaul services for all major brands of hydraulic pumps, motors, and cylinders.

Custom Hydraulic Power Units

Wojanis Supply can design and build power units to your specific needs. Every power unit we create comes complete with design documentation, hard copy and electronic manuals, and troubleshooting guides. Most importantly our job won't end when the product is complete; we offer full support on any unit that we build.
